

Flexibility is the key to SPECTRUM conveyors.

These "Hockey Stick" units are available in 7½-in. and 15-in. chain widths.

Choose bed lengths and elevator discharge height to suit your needs.

Get parts from your lowest level discharge with

the seven-inch bed height.

By customer request, our office girls were asked to pose for this picture. They are (left to right): Gloria Byrd, Leslie Zimmerman, May Coxford, and Janet Sibbold.

Completely variable...

... to meet your needs.

Inexpensively!

Reliably!

Call or write SPECTRUM for conveyors that work.
